Why choose a cabana?

The perfect hideaway for two or a party of six, these cabanas coddle you with comfort. Relax on lounge chairs in the shady cabana with a ceiling fan. Get out of the sun and into the mini-fridge for complimentary Voss water and a chilled towel. Kick back for movies on the TV until you are ready for your next dip in the pool. Hungry? No problem, enjoy pool-side service for gourmet food and frosty drinks that make your dreamlike escape even more unreal.
